

Registration Form

About:

Dodgeball New Zealand is currently attempting to grow the sport. In order to do so, we are creating a database of current and historic players, which will assist Dodgeball in securing the NZ Sport funding necessary to grow the game.

This database will be used to to inform players of upcoming leagues within the selected region, national tournaments, New Zealand team trials, and international tournaments. There will be no communication to individuals who select that they are not interested in receiving emails.

Player name _____

Email _____

Team played for _____ (leave blank if no team)

Gender _____

Email preferences (tick those that apply):

	I would like to be informed of upcoming tournaments in _____ (please indicate region)	I would like to be informed of any upcoming national tournaments	I would like to be informed of any upcoming international events or New Zealand team trials	I do not wish to be emailed

Dodgeball New Zealand is attempting to grow the sport nationally and will be looking at hosting a national tournament in 2018. There are also two international tournaments in 2018; one in New York, with the other likely to be in LA. Dodgeball New Zealand will attempt to send competitive teams to both of these events, with nationals and individual trials to be used to select the teams.
